Dialog

You can find your Billing Account Number (BAN) at the top right corner of your bill. It's named Account Number.

If you do not have a bill handy, you can refer to your Customer Service Summary (CSS). You received a copy of this to your email address upon activation and each time you make a change to your rate or features. If you are unable to locate this email in your records you can visit your local store to have one printed.

May I offer additional assistance with: <div><ul><li><a href="#" role="button" data-nuance-message-text="I am a prepaid customer">I am a prepaid customer</a></li><li><a href="#" role="button" data-nuance-message-text="Create an account">Create an account</a></li><li><a href="#" role="button" data-nuance-message-text="Forgot User ID">Forgot User ID</a></li><li><a href="#" role="button" data-nuance-message-text="Reset my password">Reset my password</a></li><li><a href="#" role="button" data-nuance-message-text="Pay my bill without logging in">Pay my bill without logging in</a></li><li><a href="#" role="button" data-nuance-message-text="Provide you the number to call">Provide you the number to call</a></li></ul></div>I need further info on....
