I can help you with that! Want to add a device? It's easy with myAT&T.<br>

1. On the top of your screen, click <b>My AT&T</b> to get a menu then choose <b>Go To My Account</b>.

2. Scroll down to <b>My Devices</b> section to click on <b>Add A Device</b>.<br>

As a reminder, you can add up to 4 FirstNet lines to your account plus any additional consumer lines as needed.

In some cases, a secondary user may not be allowed to add lines to the account.<br>

To get there quickly, use this <a href="https://www.att.com/plans/add-a-line/" target="\_blank">link</a><br>
