I can help you with that! Look for and select<b> See What Changed </b>on your Home Page. You'll only see this if your bill went up or down \$5 or more. (You can also find this in your bill history).<br>To learn more about this feature, use this <a href="https://www.att.com/support/article/my-account/KM1051879/" target="\_blank">link</a> <br>
