

Activation Fee

Intent

#Activation_Fee

Dialog

I understand you have questions about activation fees. Please note that activation fees are not generally waived but to verify if your line should have been charged/waived please refer to your Customer Service Summary provided.
</br>
You received a copy of this to your email address upon activation and each time you make a change to your rate or features. If you are unable to locate this email in your records, you can visit your local store to have one printed.
</br>
Unfortunately, our live chat/call agents are unable to assist you with this.

Goodbye - FirstNet
