#Customer_says_Account_is_Personal

Dialog

I am the virtual assistant for business accounts, but I can get you to the right place for personal accounts. Please go to **att.com** to learn and shop or the **MyATT** portal [**here**](https://www.att.com/acctmgmt/login) to login for self service options. From there, you can chat again to reach an agent.[MSG_LINE_BR~05000]
