   #FN_Assist_App
        |
      Dialog
        |
        v
```

I can help you with that!
FirstNet has an exclusive application called FirstNet Assist, available to download in iOS and Android app stores. Only users with an active FirstNet User ID can login to use the application. Go here to learn more about the FirstNet Assist app!
