charge inquiry

Intent

#charge_inquiry

Dialog

I can help you with that!

1. Go to the Manage Devices and Services tile.
2. On the top of your screen, click My AT&T to open the dropdown menu, then choose See My Bill.
3. Select the view you want and view charges for each line of service on the Bill and Pay page.
4. Once you locate the charge, you can click on the charge to get a better description.
