```
Cancel order
```

Intent

```
#Cancel_order
```

Dialog

I can help you with that! You can check the status of your order and cancel it <a href="https://www.att.com/checkmyorder/omhub.rt" target="_blank"><b>here</b></a>. <br></br>All you need is your order number and zip code. You'll find your order number on emails about your order (be sure to check your Spam folder), recent bills, AT&T receipts, and other order paperwork.<br></br>
