A foundation account personal identification number, or FAN PIN, is a 5- to 7-digit number
used to verify your organization's wireless account when you call AT&T.

When you signed your AT&T mobility contract or were added as an authorized contact for your organization, we sent you an email with your FAN PIN.

If you've forgotten your FAN PIN, I can help you reset it. Do you want me to help you reset your FAN PIN now?$waSession.buttons.optionsYesNo
